FIRST AVE. SCHOOL      NEWARK, N. J.

To the teachers of First Ave. School who work so diligently toward the success of guiding us toward a happy, academic, and productive life, we leave our heartfelt thoughts, love, and appreciation.

To Mr. John Wroblesky, Principal  
We wish you the best of good health always  
and pray for your speedy recovery.

*Dedication*

Mr. John Wrobletsky  
*Principal*

Mr. Caesar Casale  
*Acting Principal*

## ACTING PRINCIPAL'S MESSAGE

To our graduates . . .

Congratulations on having reached the first plateau in your temporal and spiritual preparations for life as an adult and as a citizen.

The value of your achievements and contributions as an individual - as you move through life - will be determined by the degree of your involvement in all aspects of living. With this thought in mind develop a positive interest in the conditions of your community. Serve it well!

If I may, I would like to paraphrase the advice of a great American: Total involvement is the price of a constructive and progressive neighborhood. A natural outcome is a guarantee of individual and group freedom to develop one's abilities and talents. This in turn can only result in a better town, city, state, and country.

In September you will begin climbing for the second plateau - high school. May God bless and inspire you in the fulfillment of your goals as you express, in a positive way, your individual abilities and desires.

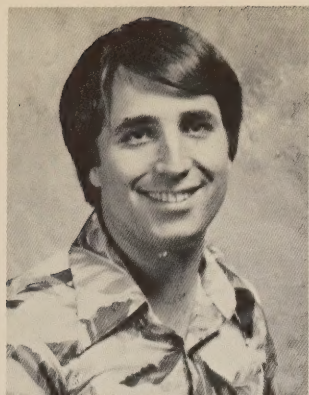

Mr. Caesar Casale, Acting Principal

## President's Message

This past school year, 1976-1977, have given me many memorable rewards. My election as president of the First Ave. School Student Government Organization (FASSGO) has given me great pride in my school and has made me a more responsible and reliable person. I have learned to understand the feelings and attitudes of the faculty and students, as well as, my own family and friends.

This school year has left a mark of remembrance, appreciation, and generosity within me. I want to take this opportunity to share my congratulations with all the graduates of the Class of '77 and to thank all those who have been a part of my life while I was here at First Ave. School. May I wish good luck, happiness and success to all my classmates and the school staff in their future endeavors.

Most sincerely,  
Lisa Litterio  
(8th grade student &
